

International Exhibition & Conference for Analytical,
Research, Diagnostic, Laboratory Instruments & Consumables

25th - 27th AUGUST 2015

Pragati Maidan, New Delhi, India

FOCUS ON

Analytical & Lab Technology
Biotechnology & Life Sciences
Chemical Methods & Processing
Drug Discovery & Research
Clinical Diagnostic & Analysis
Food & Agriculture
Oil & Petroleum

Research & Development
Education & Teaching
Testing & Measuring
Instrumentation & Process Control
Forensic Science & Security
Environmental Science
Lab Automation

WHY ASIA LABEX

- ★ **Market Scenario:** Delhi/NCR has ever developing Pharma Companies, Testing Centres And Research Institutes and Industrial hub.
- ★ **Privately funded Research:** Lots of research centre and universities are conducting private research and Delhi has a cluster of leading Companies opting for such outsourcing.
- ★ **Scientific & Lab Dealer Assurance:** Dealer across India find it convenient to reach Delhi and commute easily. The region has a mammoth gathering of nearly 3000 dealers, the biggest in the country within the radius of 50 Km. After all it is ultimately the presence of trade experts to make a show successful.
- ★ **New Markets:** Develop new business opportunities at the huge Indian market. Make contact with potential buyers from Pharmaceuticals, Food & Beverages, Oil and Gas, Cosmetics and other industries.
- ★ **Spread Networks:** Expand your network of contacts to India & other countries, find distributors and establish joint-ventures.
- ★ **Build Brand Awareness:** ASIA LABEX is the best platform to increase or build your brand awareness among the Top Researchers, Academicians, Quality Control / Laboratory Heads and other technology users.
- ★ **Connectivity:** Delhi itself needs no attention because it is well connected via Rail, Road network. The IGI Airport is among the leading Airports of the world having direct connectivity across the world.
- ★ **Increase in Smart Cities:** All trade requirements under one roof is a good add-on for the business presence.

Engage The Key Decision Makers Across The Buying Chain

WHO MUST EXHIBIT

If your company is involved in the following segments, this is the best opportunity to stand ahead from the cluster of laboratory fraternity:

- Analytical Instruments & Technologies
- Chromatography
- Spectroscopy & Microscopy
- Biotechnology
- Diagnostics Instruments & Kits
- Laboratory Glassware & Balances
- Laboratory Chemicals & Consumables
- Laboratory Instruments and Apparatus
- Laboratory Planning & Furniture
- Testing & Measuring Instruments
- Educational Lab Products for all levels
- Life Sciences
- Research Lab Equipments
- Laboratory Automation
- Material & Water Testing Instruments
- Environmental lab Instruments
- Nanotechnology

VISITOR & DELEGATE

CONNECT: with industry professionals, clients and suppliers from around the world

DISCOVER: new product companies and suppliers

EXPERIENCE: the market potential in the region

INTERACT: with exhibitors, organizations and speakers

LEARN: about new launches, new products, relations.....

SEE: the entire spectrum of sustainable Laboratory products as per the needs.

This event will bring together thousands of Laboratory Professionals, Scientists, Researchers, Academics, Quality Control Heads and Government officials as a visitor or delegate looking to leverage Laboratory Technology to drive results for their respective organizations.

VISITORS PROFILE:-

CEO / MD
Lab Directors
Scientists
Q.C Managers
Q.A Managers
R & D Officers and Executives
Purchase Managers
Lab Managers & Technicians
Traders
Professors & Lecturers
Microbiologists & Pathologists
Doctors
Research Scholars
Scientific Officers
Chemists & Bio Chemists

INDUSTRIES & INSTITUTIONS:-

Pharmaceutical Industries
Contract Laboratories
Research Laboratories
Biotechnology Companies
Pathology Labs & Hospitals
Clinical Research Labs
Material Testing & Inspection Labs
Food & Beverages Processing
Chemical Processing Industries
Agro Chemicals
Universities & Colleges
Government Agencies
Trade Suppliers
Petroleum & Petrochemicals

CONFERENCE:

The conference offers unmatched opportunities to learn from and network with knowledgeable industry professionals. Conference gives you a chance to rub elbows with the major players in Laboratory field and to see latest product developments current research findings and ideas.

LOCATION ADVANTAGE

Delhi / NCR (National Capital Region) is considered as one of the most important growth markets for laboratory, Diagnostics and Biotechnology instruments and that is motto behind to introduce biggest lab show at Delhi in the heart of country's capital at Pragati Maidan to fill the void created over years and create an impact among the cluster of Research Institute, Testing Centre and Educational hub.

Delhi / NCR and the entire Northern India is a quite productive area having enormous potential. We boast of 2081 pharma companies (as per First Pharmaceutical Census of India) of which more than 1000 are within the proximity of 200Km. Moreover, nearly 500 Food and Beverage industry are here. Not to forget a prodigious investment into the never ending Educational Universities and Research Institutes. The region has nearly 10 Central University and appx. 550 Colleges. Moreover, Delhi/NCR boasts of its steady availability of medical facilities which comprises of Leading Hospitals having world class facilities along with various multinational Diagnostic Centres.

25 26 27 AUGUST 2015

For more information on booking or floor plan please contact us:

Karuna Vaid - G.M. (Sales & Marketing) **M:** +91-9811461158 **E:** karuna.vaid@asialabex.com

Jaspal Singh - Sr. Manager (Sales & Marketing) **M:** +91-9467515413 **E:** jaspal.singh@asialabex.com

Pallav Singh - Manager (Sales & Marketing) **M:** +91-9711182040 **E:** pallav.singh@asialabex.com

Organizer:

FENZA EXHIBITIONS

21, 3rd Floor, Behind Samrat Restaurant, Outram Lines, GTB Nagar, Delhi-9 - INDIA

GSM: +91-9811461158, 9467515413, 9711182040
